Camp Paperwork

The following forms MUST be completed and returned to camp *before your camper arrives*:

Forms MUST be in our office by June 1st for First and Full Session and by July 1st for Second Session.

All necessary forms can be located at the link below:

<http://www.chateaugay.com/current-families/forms-download/>

Enrollment Form:

This is your initial registration form and will be the first form that you will want to complete and return to the office. **Please sign the *Emergency Authorization for Treatment* section of this form. ONLINE ENROLLMENT is also available through your parent portal family account in Bunk1 through our website.**

Camper Information Form:

Take a moment to complete this form with your child's input. It will help our staff become better acquainted with your child. All information provided is used in a confidential manner. If there is information of a sensitive nature that you would like to discuss with Hal and/or Mitch privately, please be sure to either call or submit the information on a separate sheet of paper.

Camper Agreement/Contract Form:

This important document is our formal agreement. This form specifies which session your camper will be attending Camp Chateaugay. It also allows for you to sign your camper up for additional "extra charge" activities provided through camp; Horseback Riding, Golf, the White Water Rafting trip and/or Mountain Biking trip. This document also gives camp permission to take your camper off camp property for trips and special events. **No camper will be allowed to leave camp grounds (with the exception of an emergency) without a signed copy of this form.**

Health History Form:

This form should be completed by both parent and family physician. We need this information as soon as possible. Be sure to sign the Parent's Authorization at the bottom of the front part of the Medical Form; the local hospital will not treat any child unless we have this form properly signed by parents. **CAMPERS MAY NOT ENTER CAMP WITHOUT THESE DOCUMENTS AND MAY NOT GO ON TRIPS OFF-SITE WITHOUT THEM.**

Campers are required to meet New York State's immunization requirements. A record of your child's immunizations and dates of immunizations must be listed.

Meningitis Form:

This document is required by the Health Department and acknowledges that your child has or has not been immunized for meningitis. The shot is not required, but your signature on a copy of this form is. New York State wants to know if a child HAS or HAS NOT been immunized for meningitis.

Travel Form:

It is important that we know your child's exact en-route itinerary. We must know when to expect your camper's arrival and WHAT his/her mode of travel will be. If your travel plans are from other cities, please give Hal a call so we can discuss potential flights for your child. If your child is travelling by air, please email Lynn the itinerary. We also need to know how they will travel home. Whether you are picking up your child or we are escorting them or bringing them to a meeting destination, we do need to know in advance to organize the travel logistics.

Internet Policy Form:

This document is a camp mandated document for campers age 13 and up that must be signed by both the camper and the camper's family. This form acknowledges that all parties are aware of the camp policy concerning our position on internet usage, camper/staff social media contact and our internet expectations and etiquette standards.

As no personal vehicles will be allowed to drive on to camp grounds, we will take care of delivering all luggage to the entrance of camp.

BAGGAGE AND SHIPPING

Please use duffel bags to pack your camper(s)

East Coast Campers:

Camp Trucking will be used to ship camper luggage for all East Coast campers. We will not be shipping any East Coast camper luggage via UPS or FedEx. Please note that bikes (for Wilderness campers only) and sporting equipment should also be shipped through Camp Trucking. To review shipping costs and to enroll in Camp Trucking, go to www.camptrucking.com.

Midwest and West Coast Campers: (includes those just west of the Philadelphia area)

Fed Ex and UPS will be used to ship home luggage. Fed Ex and UPS REQUIRE that all duffel bags with tags have their tags TAPED FLAT TO THE BAG, with the tape extending at least once around the bag. Duffel bags with loose tags will not be accepted. The cost of shipping the bags will be charged to the individual camper account. Luggage shipped by Camp will be insured for \$1000 - unless otherwise requested. Bikes will be insured for \$1500.

CAMPERS TRAVELING BY AIR: (except for international campers)

The vehicles used to pick up our campers are not equipped to handle more than one duffel bag per camper. PLEASE limit your child's baggage to one duffel bag and ship the rest!

INTERNATIONAL CAMPERS TRAVELLING BY AIR:

International campers should bring their luggage with them. Camp will provide bed linens, a pillow and towels to cut-down on the amount of packed luggage.

BICYCLES (for Wilderness campers only):

Bicycles must be broken down for UPS/FedEx pickup. Bikes travelling by Camp Trucking must also be in a box. Allow plenty of time for your local bike shop to do proper packaging and PLEASE be sure your shipping company receives the bicycle early enough to be delivered to camp prior to your camper's arrival. We do have a local bike shop that will rent bikes to Wilderness campers. The rentals are for the first half of the summer. They are returned to the bike shop a few days before visiting day. Campers are responsible for any damage to rental bikes.

CAMPER CLOTHING

Please be sure your child's name is on every item sent to camp. The best system is writing on the item with a Sharpie. This must be the full name as there are many campers with the same initials or last names. **Items without names will most likely not return at the end of the summer. I cannot stress the need to place names on EVERYTHING.** Items we find left at camp will be shipped back at the camp families' expense. We use common sense when shipping items home as to whether it is valued enough for the cost of shipping.

CONTACTING CAMPER FAMILIES:

If for any reason Camp needs to contact you, the method of contact will be as follows:

1. Call Home
2. Call Cell
3. Call Work
4. Email Parent
5. Emergency Contact

Parents are called when there is a medical issue we feel you should be notified about. For example if your child spends the night in the "Pill Box", or needs sutures, possible fracture, head injury, or any other time we feel we should notify you. We will not give you a call for something as minor as a stomach ache, head ache, etc. unless we feel it is a symptom of something larger.

Your Unit Leader will call if something is going on in the bunk or with your child that we feel should be communicated. Such as homesickness, social issues within the bunk or camp, etc.

ADDRESSING CAMPER CORRESPONDENCE:

Your child's summer mailing address will be:

CHILD'S NAME
(Cabin or Unit)
CAMP CHATEAUGAY
233 GADWAY ROAD
MERRILL, NY 12955

Mail arrives and is picked up six days a week. Our rural location tends to slow down the mail delivery time.

LETTERS & PACKAGES:

Receiving letters in the mail are a fun part of camp life for your child. Please follow a few simple rules to help your camper enjoy the experience.

When mailing packages to camp, please DO NOT SEND FOOD - food items in the cabins attract rodents and insects.

Campers will be asked to open all packages in the presence of staff. If any food items are included, they will be taken by staff and turned into the main office. Any food items removed will be discarded.

Please remember to tell any family or friends that may be sending packages about our NO FOOD policy.

Please limit packages to one per camper per session.

WEB SERVICES: Bunk1.com

Emails can be sent to Campers thru the **Bunk1** icon on our website at www.chateaugay.com. Emails may take up to 3 days to be printed and delivered to campers. Faxes are the fastest method of mail delivery. If you enroll with the **Bunk1** fax reply service, campers will receive a second sheet along with your email. On this form campers may write a letter and then turn it into the office to be faxed. It is up to your child to complete and turn in their bunk reply forms. Once it is faxed it will appear in your email. We do keep copies of all "bunk reply" forms in case one does not arrive. There have been occasional problems if the form has been folded or has other damage. If you feel you are not receiving bunk replies, please let us know.

TELEPHONE POLICIES:

Available phone lines at camp are limited. Please help us out by adhering to a few simple rules about phone calls:

There is a reservation system for phone calls. You will need to call the office between the hours of 8am and 7pm to reserve a time for your camper to call you back. Please be aware that the call may be booked for several days after you make the reservation.

Phone calls should be limited to twice per session; a policy that will be enforced unless other arrangements are made through Hal.

Phone calls with your camper should remain within a 5-10 minute time span.

Special occasion phone calls can be arranged.

Generally, all scheduled calls will be made during mealtimes. Please be available for the entirety of the mealtime for your scheduled call. Refer to the mealtimes listed below. Please note that while campers are told of calls during the meals, they sometime forget

Absolutely NO NUT PRODUCTS are allowed on camp grounds. Camp Chateaugay observes a nut-free environment as many of our campers have severe nut allergies. Please be respectful of this policy when you pack snacks for Arrival Day or Visiting Day.

Gratuities

Camp Chateaugay's policy is that offering "tips" to counselors and staff is prohibited. All of our counselors and staff have been advised of this policy and have agreed to it. This policy is strictly enforced.

Prohibited Items at Camp

Most electronic devices are not permitted at camp. Any device that can send or receive a phone call, play a video, access the Internet, or send/receive e-mail is not allowed at camp. This includes (but is not limited to) iPod Touches, iPhones, Smartphones, Kindle Fire, Gameboys, PSPs, and all other cellular and gaming devices. The only small electronic devices allowed are MP3 players and iPods. Music iPods with no videos are allowed. If these devices have video capability, we ask that parents remove all videos prior to the start of camp so we do not have to take them away. Our staff will erase any videos that are not removed prior to camp.

Below is a list of items that you should definitely leave home:

- Cell phones and pagers
- Video games, TVs, iPod Touches, and any video on your iPod
- Computers (this includes any device that has Internet capability)
- Drugs, alcohol, etc.
- Cigarettes (including electronic/smokeless cigarettes)
- Cash
- Food, candy, drinks
- Fans (unless battery powered)
- Dangerous items (i.e. knives, lighters, etc.)

Please do not send expensive items. Chateaugay is NOT responsible for any items brought to camp. This includes objects taken away because they are against the rules. We will do our best to find missing items, but will NOT reimburse for anything lost or stolen!

BILLING & PAYMENTS

BILLING STATEMENTS:

January: 1st billing statement will be mailed out for 1/2 of the remaining balance due.

April: 2nd billing statement will be mailed out with the remaining balance due.

September: A final statement will be mailed with any remaining balance(s) due.

Amounts due with each statement are due and payable immediately.

At the 10th of each succeeding month, unpaid balances will be subject to a 1.5% service charge (minimum of \$1.00). Please notify Hal or Lynn at 800.431.1184 or 860.350.8822 if you have any questions or find any billing errors.

ADDITIONAL CHARGE ACTIVITIES OR PURCHASE NEEDS:

White Water Rafting and Mountain Biking are additional charge trips that your camper can sign-up for. These trips require written permission from the parent/guardian and should be checked off on the Camper Agreement to reserve a spot for your camper. If your bill does not reflect an additional charge activity in which your camper wants to participate, then you should inform us in writing to be assured of a reserved spot.

If a camper requires camp to purchase additional items (such as; water bottles, clothing, film, batteries, cameras or other specially requested items), said items will be applied to your account. To avoid extra charges on your camp bill, here are some suggestions:

- A. Send children with stamped postcards or envelopes (pre-addressed will help the younger campers). Loose stamps are easy to lose.
- B. If a camera is sent, include extra batteries. Talk to your child about the proper use and care of their camera.
- C. Don't send items that require a lot of batteries.
- D. Water bottles are a daily necessity to keep your camper well hydrated.
- E. Don't forget to send a Camp Chateaugay t-shirt. The campers wear these for photo day and special trips off camp. Shirts can be ordered through BUNKLINE (which can be accessed through our website at www.chateaugay.com).

VISITING DAY

VISITING DAY POLICIES AND INFORMATION

Parent's visiting day will be **SATURDAY, JULY 22nd, from 9:30 am to 4:00 pm.** There is no visiting day during the second half of the summer. During visiting day the camp schedule follows our normal morning scheduling routine. We ask that you accompany your child to their scheduled activities for the morning so that you can enjoy observing them or participating with them in their activities. After lunch there are specially scheduled events that you may enjoy (a gymnastics show, dance show & theatre production), as well as the chance to go for an open swim or play an organized sporting event on the A-field. **Due to the large number of visitors, it is impossible for us to accommodate use of any watercraft.**

Bike Trip: All Wilderness campers' trip fees include one of the cycling jerseys. **This shirt has two purposes. First and most importantly the bright colors add safety for your child. The new Wilderness Cycling shirts provide great memories from one of the most challenging trips your child will experience. Go on line to the following website and order your shirt. If you would like to order additional items, please do so. You will need to purchase these separately. Once the "Team Store" is closed, you will not be able to purchase any cycling clothing. The store will open in March and close May 1st. All clothing will be shipped directly to camp and will arrive shortly before campers arrive. Items are NOT returnable.**

Please visit the Team Storefront from the Safari, Firefox, or Google Chrome web browsers from a desktop or laptop computer (not iPad or smart phone). Internet Explorer is not quite compatible with our online ordering system. Contact Podiumwear, Customer Service directly at 1-800-930-1081 (ext. 0) and ask for Julia if there are any difficulties or questions.

Sign into the site and order the correct size for your child. You can also feel free to call them directly at 1-800-930-1081 and speak with Julia. Shirts can be shipped to you or directly to camp. The order time runs about 5 weeks and cost is around \$70.00. If you decide to purchase any other cycling clothing it must be bright neon colored in order to be allowed for use.

Wilderness Camper Suggestions:

- A. Don't forget to bring your bike and bike helmet. As a matter of safety we require that you wear your helmet whenever you are on your bicycle. We do have a local store that will be able to sell or rent you a bike and will deliver it to camp for you. You are responsible for any damage to rented bikes.
- B. Break in your hiking boots before you get to camp. Blisters from new boots can turn hiking into a painful experience.
- C. You must have a fiberfill sleeping bag and a frame back-pack large enough for a 5 day trip.
- D. You'll want a water bottle that attaches to your bike or hydration pack.
- E. Because much time is spent out of camp on trips extra spending money will be necessary. We suggest you bring an extra \$50 with you to hold in the camp safe.

Camp online photos:

Camp's internet ability is very limited. Any internet we have at camp is through cellular data. This is both slow and very limited as many of you are aware. We can get enough data and fast enough service to upload pictures onto Bunk1's website. In order to upload pictures we need to send someone into town and have them sit at a public Wi-Fi location and upload photos. Even this sometimes does not work as there seem to be limits on the amount of data that can be uploaded before the system slows down. Our goal is to send someone into town every other day. This does not always work out as we have vehicle and staff limitations. It usually takes 1-2 hours of uploading each time, plus travel. If for some reason the pictures do not get uploaded because of an issue, the photos may be another couple of days before they get done. Please bear with us, as we do our best to upload pictures despite our limited internet. If photos are not up for several days, please send me an email. Thanks. Hal (Hal@chateaugay.com)
